FAMILY SERVICE ASSOCIATION

It's so easy to give back!

- ✔ Mark your calendar on the 2nd Saturday of every month (Projects are typically 3 hours in length)
- ✔ Sign up by clicking on the link on our website or by emailing us for instructions
- ✔ Come for a different activity every month - we take care of the planning

Why participate?

- ✔ Come together as a family to make a positive difference
- ✔ Teach your children the value of giving back
- ✔ No child care needed - every activity is family-friendly
- ✔ Do something new and different that will help you learn and grow

Some of the projects we have already done:

- ✔ Landscape a Head Start Center
- ✔ Distribute school uniforms to children in need
- ✔ Create ribbons in honor of child abuse or elder abuse prevention
- ✔ Beautify a local park

Become part of "the family you can always count on."
